

RISK DISCLAIMER

1. Trading on Financial Markets carries a high level of risk, and may not be suitable for all traders. Do not trade money that you cannot afford to lose. Before deciding to trade, or copy trade, you need to ensure that you understand the risks involved and carefully consider your objectives, level of experience, and risk appetite.
2. You should not engage in funding directly or indirectly in financial instruments unless you know and understand the risks involved for each one of the financial instruments in the forex market. Prior to applying for or creating an account, you should consider carefully whether to trade in a specific financial instrument or copy trade is suitable for you in the light of your circumstances and financial resources.
3. If you do not understand the risks involved, you should consult or seek advice from an independent financial advisor. If you still do not understand the risks involved in trading, you should not trade at all.
